

Life Policies Investment Bulletin

Introduction

We will be able to assist you with any queries that you may have regarding the administration of your policy, however, we are unable to give you any form of investment advice. You may wish to seek advice from an Independent Financial Adviser.

The value of your fund is not guaranteed. The value of investments can fall as well as rise, meaning you may get back less than you paid in. Past performance is not necessarily a guide to future performance.

Where overseas investments are included movements in exchange rates could cause the value of an investment to change.
