Personal Accident and Business Travel Insurance

The peace of mind that comes from knowing that your people and your business are covered by compliant and fit for purpose travel, accident, medical and security assistance solutions - wherever in the world they may be - is invaluable.

All our solutions, available on a standalone or integrated basis, are suited to the needs of companies with 250+ employees: any industry; any number of subsidiaries (or none at all); and anywhere in the world*.

They offer a valuable addition to any organisation's existing or developing UK national and / or global programme.

Why us?

One of the world's largest companies, Generali partners with best of breed providers operating not only in the provision of competitive, high-quality insurance, but also in the fields of travel, accident, medical and security assistance.

Integrated & flexible insurance

Through the integration of these international insurance and assistance networks, Generali is uniquely positioned to deliver simpler, smarter and faster solutions to clients across the globe.

Multinational Programmes

The Group has a strong platform in the shape of its Multinational Network, enabling us to structure and manage fully compliant programmes from one centralised location.

Europ Assistance

What's more, our Business Travel Insurance offers dedicated access to Generali's wholly-owned assistance company, Europ Assistance.

As a pioneer of assistance for more than 50 years, Europ Assistance helps more than 300 million customers every year, all over the world.

This brings advantages to employers in terms of cost efficiencies and flexibility, while employees benefit from access to extensive global travel, medical and security expertise and the best care possible.

What makes our solutions simpler, smarter, faster?

- Highly **flexible** choice of cover
- One **flat annual premium** resulting in minimal administration and accounting
- **Simple online claims** submission tool, helping to ensure claims are processed quickly and efficiently
- The backing of a **major name** in the global insurance arena
- Global reach of the **Multinational Network**.

Multinational Programmes

By putting in place a combination of insurance and assistance solutions, we can help you structure fully compliant, fit-for-purpose, multinational programmes.

Each client is allocated a dedicated service manager, responsible for overall programme delivery. In addition, we provide local language documents to clients, with central control and coordination.

Key benefits of our multinational programmes

- **One-stop-shop** - Insurance cover and assistance services provided by companies within the Generali Group
- **Tailored programmes** - across local UK & multinational operations, allowing for fully integrated insurance and risk management strategies
- **Service excellence** - a centralised point of contact with one underwriter / carrier for a global programme
- **Local expertise** - broad knowledge of in-country regulatory and insurance-related information (policies issued by fully-admitted licensed insurance companies)
- **Multinational flexibility** - option of master policies with languages addressing differences in conditions and limitations
- **Local servicing** - local language certificates and local assistance
- **Coverage control** - master policy programme structure can provide standardised coverage terms and conditions across subsidiaries
